

ASRCM Flight Training Program - Fixed Wing

Flight Training Agreement

I hereby request that Atlantic Society of Radio Control Modellers (ASRCM) provide me with instruction in flying radio controlled model aircraft, provided free of charge by volunteer instructors, also that there is nothing in this program that guarantees that I will become a successful radio control pilot, nor are there any expectations on how long it will take to complete this program.

I understand that I must be a current member of Model Aeronautics Association of Canada (MAAC), and a current member of ASRCM.

I agree to abide by both the MAAC Safety Code and Guidelines, and the ASRCM General Rules and Regulations.

As a student, I will not carry out any flying activities without the assistance of an instructor.

I agree to hold ASRCM or its instructors blameless in the event of any and all accidents involving loss or damage in the operation of my model aircraft, regardless of whether the aircraft was under control of myself or an instructor, while undergoing this program.
